

Where we live affects how we live.
How we live and what we do affects the lives of others.

Affordable housing is a deservedly hot topic, and one that somehow affects us all.

Co-Ownership Housing is a busy regional organisation right at the leading edge of affordable housing policy and services, providing affordable home ownership through equity sharing.

After 3 decades of helping people on the property ladder through equity sharing we have strong local roots. 35,000 house purchases and sales mean that 10,000 people currently live in Co-Ownership homes.

We believe in valuing and supporting the very people who give of their valuable time in supporting our work.

Our services package for shareholders includes

-  Online corporate reporting
-  Topical briefings and publications
-  Training and development opportunities in the field of corporate governance

As a shareholder, you are

-  **Playing** a full role in Co-Ownership's activities
-  **Voting** on business at constitutional meetings/AGM
-  **Demonstrating** your commitment to our work
