Consultation: Draft Local Government Pension Scheme (Amendment No. 2) Regulations (Northern Ireland) 2010

Introduction

The Northern Ireland Federation of Housing Associations (NIFHA) represents registered and non-registered housing associations in Northern Ireland. Collectively, our members provide 32,000 good quality, affordable homes for renting or equity sharing. Further information is available at www.nifha.org

Our members within the Housing Association Movement employ in excess of 2000 people, many of whom are members of the local government pension scheme. As both employers and employees our members note with interest any amendments to be made to the scheme. NIFHA welcomes the opportunity to be consulted on the amendments on behalf of our members and we note the content of the document without further comment.
