

Wylie & Bisset LLP

Wylie & Bisset LLP is a significant, 10 Partner, independent firm of Chartered Accountants based in Glasgow, with a national client base, providing a full range of services to clients including audit and accountancy, corporate and personal taxation, business advisory, insolvency, corporate finance and consultancy services.

Within our specialist audit department we have dedicated Internal and External Audit teams who look after numerous clients within various sectors including Social Housing, Education and general Public Sector. We also have a charities unit which currently acts for a sizeable client base of not-for-profit organisations.

Our extensive audit experience allows us to offer proactive and constructive advice delivered via our partner and manager led team of professionals.
