

# Apex celebrates £200k milestone for African projects

Since 2000 [Apex](#) has been fundraising to support projects in Kenya and Tanzania under the auspices of [Children in Crossfire \(CIC\)](#), an international charity with personnel based there.

[Apex](#) has now donated £200,000 towards projects supported by [Children in Crossfire](#) in marginalised communities.

These have included the construction of a water dam, seed store, community centre, health clinic and early childhood development centre. In addition, [Apex](#) has renovated a local primary school and established a women's micro financing fund.

To celebrate this huge achievement, [Apex](#) has made a video of our African work and wishes to thank all the staff, residents, tenants and other stakeholders who have contributed over the past 15 years in this massive fund raising effort.
